FOOD VENDOR REQUIREMENTS:

Every food vendor must obtain a food permit from the New Mexico Environment Department (NMED) to be eligible to operate a temporary food establishment during the Burning of the Bull. This includes but is not limited to annually permitted restaurant food establishments that do NOT have a catering permit, charitable or non-profit organizations and all food vendors permitted outside the State of New Mexico. For information on permit applications and fees, please contact the NMED Alamogordo Field Office:

New Mexico Environment Department Alamogordo Field Office

811 E. First Street Alamogordo, NM 88310, 575-437-7115

https://www.env.nm.gov/fod/Food_Program/

Food vendors will be required to submit a copy of their NMED food permit to the Otero County Fair Office **no later than October 1, 2023**. Approval of Temporary Food Establishment (TFE) permit applications can take up to 10 business days. If you have an annually permitted or un-permitted, self-contained mobile unit (e.g., food trucks and trailers) please contact NMED to discuss your operation and determine if any other additional food permit(s) are required. Please note, fees for permit applications must be made in the form of a check or money order to NMED (i.e., cash is not accepted).

NMED staff may conduct a food establishment inspection of any food booths, trucks or trailers prior to opening and at any time for the total duration of the Burning of the Bull. All rules and regulations must be followed during the total length of the hours of operation during the Burning of the Bull. OCFA management will also closely monitor all food vendors. Any food vendor that is not compliant with NMED inspectors or contractual agreements made with the OCFA management or fail to adhere to the Rules and Regulations may be subject to additional enforcement action to include but not limited to closure and/or a **\$250 fee**. Per OCFA, violators will not be allowed to re-apply for subsequent years.

All food vendors must ensure they have the appropriate permits (if required) from the City of Alamogordo. The Otero County Fair operates within city limits and vendors who do not have the proper permitting with the City of Alamogordo may be removed from the event. **Please call the City Clerk's Office at 575-439-4100 to determine your specific permitting requirements.** City staff and/or Fire Department will be onsite during your booth set-up and during the event to inspect for proper permitting. Permitting can take up to two weeks to complete so obtaining this early is necessary. Proof of proper permitting will be due by October 1, 2023.
